MATTERS HELD IN ABEYANCE

2:02 p.m. This is the time set for Telephonic Conference. Plaintiff State of Arizona, on behalf of Arizona Community Protection and Treatment Center, appears through Assistant Attorney General April Wynne. Respondent (whose presence is waived) appears through Deputy Legal Advocate Steven Tucker. Appearances are telephonic and the conference occurs in chambers.

Court and counsel waive a Court Reporter, and none is present.

The Court has received State's Notice of Detention, Motion to Revoke Conditional Release to L.R.A. and Place Respondent in Total Confinement, and Request for Hearing; and Respondent's Motion to Waive Time for Hearing.

LET THE RECORD REFLECT that Respondent, through counsel, and without any objections, waives the statutory ten (10) days in which to have a hearing on the above motions.

FOR THE RECORD Plaintiff notes that Respondent is in total confinement at this time, and receiving treatment at the Arizona Community Protection and Treatment Center.

Parties request that a hearing and ruling on the above motions be held in abeyance pending further information regarding criminal charges which may or may not be filed against the respondent.

For the reasons set forth above, and good cause appearing,

SUPERIOR COURT OF ARIZONA
MARICOPA COUNTY

IT IS ORDERED holding the State's Notice of Detention, Motion to Revoke Conditional Release to L.R.A. and Place Respondent in Total Confinement, and Request for Hearing in abeyance until further notice from counsel.

2:08 p.m. Matter concludes.
