RULING

The Court has considered the Request of CNN and PNI For Unsealing of Transcript filed October 4, 2013, the Defendant's Response to the Request of CNN and PNI for Unsealing of Transcript filed November 14, 2013 and the oral argument conducted on November 26, 2013. CNN and PNI seek an order unsealing the transcript of a hearing conducted on October 4, 2013 regarding Defendant's Motion to Preclude or Limit Live Coverage of the Sentencing Phase Retrial. Defendant opposes the request to unseal portions of the transcript until the trial phase proceedings are complete. The State does not object to unsealing the transcript in its entirety.

The Court has reviewed the sealed transcript from the October 4, 2013 proceeding. The Court finds portions of the transcript should be unsealed. The remainder of the transcript will remain sealed until the sentencing phase retrial is completed. The Court finds the sealed portions should remain sealed for the reasons set forth in the court's minute entry dated October 1, 2013. A copy of the redacted transcript will be filed with the Clerk of the Court and placed on the docket.
