MINUTE ENTRY

The Court has read and considered the Petitioner's "Petition for Order to Show Cause re: Contempt of Court's Order re: Payment of Attorney Fees" filed on March 7, 2014. The Court will consider this to be a motion to enforce the Court's previous Judgment and Order for attorney's fees in favor of Petitioner against the Respondent. The Court has not received a response to this current motion.

On February 24, 2011, the Court entered a Judgment in favor of the Petitioner and against the Respondent for attorneys' fees in the amount of \$5,341.00. However, there was no date attached to the Judgment by when those fees were required to be paid. On April 29, 2013, this Court's minute entry/order set a deadline for said payment to be December 1, 2013. On November 25, 2013, this Court entered a Judgment and Order in favor of the Petitioner and against the Respondent for the previously issued Judgment (issued on February 24, 2011) and an additional award of \$524.43 to be paid directly to the Respondent's attorney, Greg Meell, by no later than December 1, 2013. The Petitioner now requests this Court to enforce these Judgments regarding attorneys' fees as it is alleged that the Respondent has not paid said Judgments.

The Court has provided Petitioner with her remedy as the Court entered two Judgments against the Respondent. Now the Petitioner may enforce those Judgments as one would enforce any other civil judgment, e.g., garnishment, attachment, lien, levy, etc.

Therefore,

IT IS ORDERED denying the Petitioner's Petition for Order to Show Cause Re:
Contempt of Court's Order Re: Payment of Attorney Fees.
